

# The Buzzcocks, Love Battery

My mad love battery - wants to charge you  
my mad love battery - could maybe enlarge you  
my mad love battery - fizzing at the terminals  
my mad love battery - is one helluva pack of an animal

My mad love battery - has to have us both  
my mad love battery - don't allow for sleep or sloth  
my mad love battery - never minces words  
don't discharge flattery - so don't listen to what you've heard

I got sick electricity  
on the boil for you  
I got this searing love  
which burns without cue

My mad love battery - is running out of control  
my mad love battery - is gonna swallow us whole  
my mad love battery - never minces words  
don't discharge flattery - so don't listen to what you've heard

I got this crazy current  
gets into my underwear  
and when it really connects  
I come and go everywhere

My mad love battery - wants to charge you  
my mad love battery - could maybe enlarge you  
my mad love battery - fizzing at the terminals  
my mad love battery - is one helluva pack of an animal
