

# The Buzzcocks, Money

What is inside me  
Is caged here beside me  
Life is a zoo  
I'm labelled him  
And it's labelled you  
Life is a zoo  
Life's a zoo

You are a stranger  
But I'm even stranger  
What can I do  
Life's getting stranger  
Strangers are stranger  
What can we do  
Life's a zoo

I am a stranger  
And you're even stranger  
What can you do  
Life's getting stranger  
A stranger's a stranger  
What can we do  
Life's a zoo
