

# The Buzzcocks, My Dreams

I see your face everywhere I go  
I feel you behind me  
I turn but you're not there  
I call your name  
And people stop and stare  
It's been some time since we last met  
How can I forget you  
It came as news to me  
Love has no guarantee

Aw I guess my dreams weren't meant to be  
Oh I guess my dreams weren't meant to be  
Parting's not such sweet a sorrow  
But who knows how today will be

December will never seem the same  
I'll always remember  
Being close to you  
The colour of your eyes  
My favourite shade of blue  
Been thinking of the fun we shared  
Of course there were bad times  
But perhaps what's good for me  
Was all the same to you

Aw I guess my dreams weren't meant to be  
Oh I guess my dreams weren't meant to be  
Parting's not such sweet a sorrow  
But who knows how today will be

Calm down  
Take it easy  
It's not the end of the world  
But the chance to start something new

They say time waits for no man  
But as long as I live  
I'll wait for ever and ever for you

It's been some time since we last met  
It was on my birthday  
I'll never forget you  
Though I suppose eventually I will

Aw I guess my dreams weren't meant to be  
Oh I guess my dreams weren't meant to be  
Parting's not such sweet a sorrow  
But who knows how today will be

There are no goodbyes

Calm down  
Take it easy  
It's not the end of the world  
But the chance to start something new  
They say time waits for no man  
But as long as I live  
I'll wait for ever and ever for you  
Aw take it easy  
It's not the end of the world  
But the chance to start something brand new  
They say time waits for no man  
But as long as I live

I'll wait for ever and forever for you

Aw I guess my dreams weren't meant to be  
Oh I guess my dreams weren't meant to be  
Oh I guess my dreams weren't meant to be  
Oh I guess my dreams weren't meant to be
