

The Buzzcocks, Operator's Manual

Operator's manual
Tells me what to do
When emotions blow a fuse
Indicating blue

Operator's manual
Tells me what to find
And how to make adjustments when
You tamper with my mind

Oh, operator's manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull through

Operator's manual
On page sixty-three
Tells me what to do when you
Do these things to me

Oh, operator's manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull through

Operator's manual
Tells me what to do
When emotions blow a fuse
And I'm feeling blue

Operator's manual
On page sixty-three
Tells me what to do when you
Do these things to me

Oh operator's manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull through
