

# The Buzzcocks, Qu'est-Ce Que C'est Que Ca?

Have you seen them in the skies?  
I've been searching for the things I cannot hide  
Wishes for me  
Wishes for you  
Would it makes us happy if our wishes all came true?  
Will I ever find the answer

To the questions that I ask myself sometimes?  
Is there a reason or is that just in my mind?  
Why am I here ?  
Why are you there?  
Are we all that different that there's nothing we can share?  
Will I ever find the answer?  
Is there even an answer?

Qu'est-ce que c'est que ca?  
I wonder who knows?  
Qu'est-ce que c'est que ca?  
La meme chose

Is there anybody out there?

I've been thinking  
Do we really have a soul?  
Is there a heaven?  
Do you believe all that you're told?

Salvation for you  
Damnation for me  
Is this all that there is or are there things that we can't see?  
Maybe meditation could improve my concentration  
I need an indication to establish a relation

Qu'est-ce que c'est que ca?  
I wonder who knows?  
Qu'est-ce que c'est que ca?  
La meme chose

And I wonder  
I wonder if you wonder too

Qu'est-ce que c'est que ca?  
I wonder who knows?  
Qu'est-ce que c'est que ca?  
La meme chose

Qu'est-ce que c'est que ca?  
I wonder who knows?  
Qu'est-ce que c'est que ca?  
La meme chose
