

The Buzzcocks, What Am I Supposed To Do

You make mistakes when you're twenty one
You see it's gone, simply trolling by
Every time you make a move
Somebody kicks you in the eye
People talking about my life
I don't want to hear it, 'cause it's suicide

What am I (what am I) supposed to do now
What am I (what am I) supposed to do now

You take so much off everyone
What have you done, just looked at the sky
People trying to change your life
The world's just a place with an ugly face
People talking about my life
I don't want to hear it 'cause it's suicide

What am I (what am I) supposed to do now
What am I (what am I) supposed to do now
Everybody needs somebody, everybody wants somebody
Everybody needs somebody to touch

[Solo]

Everybody needs somebody, everybody wants somebody
Everybody needs somebody to touch

What am I (what am I) supposed to do now
What am I (what am I) supposed to do now
What am I (what am I) supposed to do now
What am I (what am I) supposed to do now

What am I, what am I, what am I supposed to do right now, yeah
What am I, what am I, what am I supposed to do right now, yeah

What am I (what am I) supposed to do now
What am I (what am I) supposed to do now
