

# The Buzzcocks, You Can't Take That Away

You're so different  
You remind me a lot of myself  
A few years ago maybe  
No regrets  
I've often wondered what I'd do  
If I had my time again

Daydreaming's easy  
But living life is strictly one way  
No turning back  
No map  
We all go astray  
Still I guess I'm telling you something  
That you could testify

As time passes by  
I still don't know why  
You've taken every thing from me but love

I tried to reason with you  
But you had made up your mind  
We argued in whispers  
If I live till I die  
I never want to go to hell again

The phases of the moon  
The seasons the years won't erase  
The silent echo of your dream in my heart  
My eyes are burning  
Tears are running down my cheeks  
As I start to cry

As time passes by  
I still don't know why  
You've taken every thing from me but love  
As time passes by  
I still don't know why  
You've taken every thing from me but love

Oh you can't take that away from me  
Oh no you can't take that away from me  
There is no future and the past is all lies  
But with each heartbeat another part of me dies  
You can't take that away from me

As time passes by  
I still don't know why  
You've taken every thing from me but love  
As time passes by  
I still don't know why  
You've taken every thing from me but love

Oh you can't take that away from me  
Oh no you can't take that away from me  
There is no future and the past is all lies  
But with each heartbeat another part of me dies  
Oh you can't take that away from me  
Oh no you can't take that away from me  
Oh no you can't take that away from me  
Oh no you can't take that away from me  
Oh no you can't take that away from me
