

# The Byrds, Have You Seen Her Face

Have you seen her face?  
Will her eyes reflect  
The colors in the sky  
Or one familiar place  
To be swept into  
Whenever she's close by  
Makes me wonder why

Run by, don't turn back  
Can't hide from that look in her eye

Must be the way she walks  
A style made up to capture all she needs  
No time to spend on loose talk  
If your luck runs right  
She might see you tonight  
Anything in sight

Run by, don't turn back  
Can't hide from that look in her eye

Run by, don't turn back  
Can't hide from that look in her eye

You'll find you're locked in her spell  
All the sights and sounds  
Your senses will be found  
And only time will tell  
How much love can be  
To wait so patiently  
Wait and see

Run by, don't turn back  
Can't hide from that look in her eye
