

# The Byrds, I Knew I'd Want You

I'd like to love you  
With all of my heart  
You've had me on your trip  
Right from the start  
And when you looked at me  
With love in your eyes  
I knew I'd want you, oh yeah

I'd like to hold you  
If you want me to  
I've found something new, girl  
Just by looking at you  
And it's in your smile  
And it's in the way  
I knew I'd want you, oh yeah

I meet so many people  
I feel I don't know  
But I felt so close to you  
When you said hello

I'd like to love you  
And together we'd find  
The place we've been looking for  
Where we'll have peace of mind  
And there we'll be happy  
And there I'll know why  
I knew I'd want you, oh yeah, oh yeah
