

# The Byrds, My Destiny

(H. Carter)

Cursed with sorrow pain and woe  
Full of feelings I can't show  
Hopeless love what else for me  
Is this my destiny?

God in Heaven surely meant  
For every man somewhere a mate  
Someone stole my love from me  
Is this my destiny?

At night I toss and wonder why  
I must live while others die  
Prayer would be an escape for me  
Is this my destiny?

(Pedal Steel Guitar - Sneaky Pete)

At night I toss and wonder why  
I must live while others die  
Prayer would be an escape for me  
Is this my destiny?

Is this my destiny?
