## The Call, The Walls Came Down

Well they blew the horns And the walls came down They'd all been warned And the walls came down They juststood there laughing They're not laughing anymore The walls came down Sanctuary fades congregation splits Nightly military raids The congregation splits It's a song of assassins Ringin' in your ears We got terrorist thinking Playing on fears Well they blew the horns And the walls came down They'd all been warned But the walls came down I do't think there are any Russians And there ain't no Yanks Just corporate criminals playin' with tanks
