

# The Calling, Things Will Go My Way

I came to tell you how it all began  
Nothing seems to work out right  
I'm broken down again  
So hold me now  
Say it's not forever  
Cause maybe someday  
In time

Things will go my way...  
Things will go my way...

I've pushed to get through  
The crowds of twisted souls  
Just to find I'm right back here  
Doing what I'm told  
So take my hand  
Don't let me surrender  
Cause maybe someday  
In time

Things will go my way...  
Things will go my way...  
Things will go my way...

For all the lies I've tasted  
Just looking for the truth  
For all the dreams I'm chasing  
Well what am i to do?  
When everything's against me  
And the answers are all wrong  
I'm hoping that I'll find out  
It was worth it all along

So hold me now  
Say it's not forever  
Cause I know someday  
In time  
Things will go my way...  
Things will go my way...  
Things will go my way...

For all the lies I've tasted  
Just looking for the truth  
For all the dreams I'm chasing  
Well what am I to do?  
When everything's against me  
And the answers are all wrong  
I'm hoping that I'll find out  
Things will go my way
