

The Camp Rock Cast, Play my music

Listen on that radio, as loud as it can go
wanna dance untol my feet can't feel the ground
Say goodbye to all my fears,
one good song they disappear
and nothin in the world can bring me down
Hand clappin hip shakin
heart breakin there's no fakin
What you feel when you're ridin home
Music is my soul
I can hear it everyday and everynight
It's the one thing on my mind
Music's got control
and I'm never letting go, no, no
I just wanna play my music
Got my six-string on my back
don't need anything but that
everything I want is here with me
So forget that fancy car
I don't need to go theat far
What's driving me is following my dreams
Hand clappin hip shakin
heart breakin there's no fakin
What you feel when you're ridin home
Music is my soul
I can hear it everyday and everynight
It's the one thing on my mind
Music's got control
and I'm never letting go, no, no
I just wanna play my music
Can't imagine what it'd be like
Without the sound of all my heros
Singin all my favourite songs
So I can sing along
Music is my soul
I can hear it everyday and everynight
It's the one thing on my mind
Music's got control
and I'm never letting go, no, no
I just wanna play my music
Music is my soul
I can hear it everyday and everynight
It's the one thing on my mind
Music's got control
and I'm never letting go, no, no
I just wanna play my music
All night long.
