

# The Cardigans, Drip Drop Teardrop

I'm gonna watch you  
while you get me wrong  
I'm gonna sing  
until you hate this song

I'm gonna tell you  
in my sweetest voice  
I'm gonna choose you  
'cause you have no choice

This funny thing we got  
Is never gonna stop. Oh no!

I'm gonna take you  
to the wilderness  
I'm gonna show you  
things you might have missed  
I'm gonna kiss the parts  
that you have lost  
It's gonna cost you  
but you might hurt less

This funny thing we got  
Is never gonna stop  
until we drip drop tear drop

I'm gonna work  
til we get it on  
I'm gonna love you  
till we get alone  
and when your ears and your eyes are sore  
I'm gonna love you just a little bit more

It's funny thing we got  
It's never gonna stop  
until we drip drop tear drop
