

# The Carpenters, Can't Smile Without You

You know I can't smile without you  
Can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything  
You see I feel sad when you're sad  
I feel glad when you're glad  
If you only knew, what I'm going through  
I just can't smile without you

You came along, just like a song  
And brightened my day  
Well who'd a' believed  
That you were part of a dream  
Now it all seems, light years away and

You know I can't smile without you  
Can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything  
You see I feel sad when you're sad  
I feel glad when you're glad  
If you only knew, what I'm going through  
I just can't smile without you

Now some people say, that happiness takes  
So very long to find  
Well I'm finding it hard  
Leaving your love behind me --and you see I

You know I can't smile without you  
Can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything  
You see I feel sad when you're sad  
I feel glad when you're glad  
If you only knew, what I'm going through  
I just can't smile without you  
You know I can't smile without you  
Can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything  
You see I feel sad when you're sad  
I feel glad when you're glad  
If you only knew, what I'm going through  
I just can't smile without you...
