## The Carpenters, Can't Smile Without You (Single

Ah

You know I can't smile without you I can't smile without you I can't laugh, and I can't sleep I don't even talk to people I meet And I feel sad when you're sad I feel glad when you're glad And you must know what I'm goin' thru I just can't smile, without you You came along just like a song You brightened my day Who'd believe you were part of a dream That only seemed light years away And you know I can't smile without you I can't smile without you

I just can't smile, without you Some people say the happiness wave Is somethin' that's hard to find Into the new leavin' the old behind me And I feel sad when you're sad I feel glad when you're glad And you must know what I'm goin' thru I just can't smile, without you Into the new, leaving the old behind me And I feel sad when you're sad I feel glad when you're glad And you must know what I'm goin' thru I just can't smile, without you You must know what I'm goin' thru I just can't smile, without you
