

# The Carpenters, From This Moment On

From this moment on you and me dear

Only two for tea dear from this moment on

From this happy day no more blue songs

Only hoopty-do songs from this moment on

For you got the love I need so much

Got the skin I love to touch

Got the arms to hold me tight

You got the sweet lips to kiss me good night

From this moment on, you and I babe

We'll be riding high babe

Every care is gone

From this moment on
