

The Carpenters, I Just Fall In Love Again

Dreamin', I must be dreamin'
Or am I really lyin' here with you

Baby, you take me in your arms
And though I'm wide awake
I know my dream is comin' true

And, oh, I just fall in love again
Just one touch and then it happens every time
And there I go I just fall in love again,
and when I do
Can't help myself, I fall in love with you

Magic, it must be magic
The way I hold you and the night just
seems to fly
Easy, for you to take me to a star
Heaven is that moment when I look into your eyes
