

# The Carpenters, I'll Be Yours

When I first saw you my heart said, "yes";

You'd be the one to cure my loneliness

And so every night I pray,

Pray that some day you will say

Pray that you'll say you love me and then I'll be yours

I see you everyday you say "hello";

But I can't say a word

I love you so

And so every night I pray,

Pray that some day you will say

Pray that you'll say you love me and then I'll be yours

I love you so, but you will never know

You think I'm just a friend, that all I'll ever be, I know

I just a dreamer, it's nothing new

But still I hope someday they'll all come true

And so every night I pray,

Pray that some day you will say

Pray that you'll say you love me and then I'll be yours

Say you'll love me and then I'll be yours
