

# The Carpenters, I'm Caught Between, Goodbye A

I have something to tell you

And I know it won't be easy

I've been thinking these past few days

It might be time to leave

You're like a stranger

Then you're a lover

Never the same

Always hard to believe

(\* I'm caught between goodbye and I love you

Never knowing quite where I stand

I'm caught between goodbye and I love you

Falling both ways nowhere to land

So constantly stranded

I can't understand it

This double life you've handed me

Is like the devil and the deep blue sea

If we go on much longer

If my doubts grow any stronger

Then I may have to let you go

If only to survive

Give me a reason

Why should I stay here?

I've tried so hard

Just to keep love alive

Repeat (\*)
