

# The Carpenters, I Need To Be In Love

The hardest thing I've ever done is keep believing  
There's someone in this crazy world for me  
The way that people come and go through temporary lives  
My chance could come and I might never know

I used to say "No promises, let's keep it simple"  
But freedom only helps you say goodbye  
It took a while for me to learn that nothing comes for free  
The price I paid is high enough for me

\* I know I need to be in love  
I know I've wasted too much time  
I know I ask perfection of a quite imperfect world

And fool enough to think that's what I'll find

+ So here I am with pockets full of good intentions  
But none of them will comfort me tonight  
I'm wide awake at 4 a.m. without a friend in sight  
I'm hanging on a hope but I'm all right
