

# The Carpenters, Man Smart, Woman Smarter

Let us put man and woman together  
And see which one is smarter  
Some say man, but I say no  
The woman got the man like a puppet show

It ain't me, it's the people that say  
The men are leadin' the women astray  
But I say that the women today  
Are smarter than man in every way  
Well that's right, the women are smarter  
That's right, the women are smarter

Little boy sat down and cried  
An old man passin' asking him why, he said  
I can't do what the big boys do  
Old man sat down and he cried too

Ain't me, it's the people that say  
The men are leadin' the women astray  
But I say, that the women today  
Are smarter than man in every way

That's right, the women are smarter  
That's right, the women are smarter

That's right, the women are smarter  
That's right, the women are smarter

Well that's right, the women are smarter  
Smarter than man in every way
