

The Carpenters, Man Smart, Woman Smarter

Let us put man and woman together
And see which one is smarter
Some say man, but I say no
The woman got the man like a puppet show

It ain't me, it's the people that say
The men are leadin' the women astray
But I say that the women today
Are smarter than man in every way
Well that's right, the women are smarter
That's right, the women are smarter

Little boy sat down and cried
An old man passin' asking him why, he said
I can't do what the big boys do
Old man sat down and he cried too

Ain't me, it's the people that say
The men are leadin' the women astray
But I say, that the women today
Are smarter than man in every way

That's right, the women are smarter
That's right, the women are smarter

That's right, the women are smarter
That's right, the women are smarter

Well that's right, the women are smarter
Smarter than man in every way
