

The Carpenters, One Love

One love in my young life
Took me somewhere I had never been
And I want to live again, breathe again
In the shelter of his brightly woven love song
So long I have wanted love to be
Sitting just this near to me
Now my waiting heart is free

(* Few are the choices we are given
The sands of time pass quickly by
One dream of my young life
Now stands holding out his hand to me
Now I cant help but believe that my whole life will be
Spent in one love

Repeat (*)

Spent in one love
Spent in one love
