

The Carpenters, Superstar

Long ago and oh so far away
I fell in love with you before the second show
Your guitar, it sounds so sweet and clear
But you're not really here
It's just the radio

[Chorus:]

Don't you remember you told me you loved me baby
You said you'd be coming back this way again baby
Baby, baby, baby, baby, oh, baby, I love you I really do

Loneliness is a such a sad affair
And I can hardly wait to be with you again

What to say to make you come again
Come back to me again
And play your sad guitar

[Chorus x2]
