

# The Carpenters, Superstar

Long ago and oh so far away  
I fell in love with you before the second show  
Your guitar, it sounds so sweet and clear  
But you're not really here  
It's just the radio

[Chorus:]

Don't you remember you told me you loved me baby  
You said you'd be coming back this way again baby  
Baby, baby, baby, baby, oh, baby, I love you I really do

Loneliness is a such a sad affair  
And I can hardly wait to be with you again

What to say to make you come again  
Come back to me again  
And play your sad guitar

[Chorus x2]
