

# The Carpenters, Want You, Back In My Life Again

You know it doesn't seem that long ago

That I had your love and let it go

And I really let you down I know

I'm losin' your love

I guess it took a while for me to see

What it is you really mean to me

I've been as big a fool as I can be

For losing your love

(\* ) I want you back in my life again

I don't want to be your remember when

I want you back in my life again

Let's go back to the place where it all began

I've lived long enough with your memory

Now I know that I need you here with me

There was a time I thought I had it made

But I didn't see the price I had paid

And the price gets higher ev'ry day

And all I can say is

(\*\*) You're the only one who knows my heart

So let's take it right back to the start

And I won't have to play the part

Of losing your love

Repeat (\*)

Repeat (\*\*)

I want you back in my life again

I don't want to be your remember when

I want you back in my life again

Let's go back to the place where it all began

I've lived long enough with your memory

Now I know that I need you, know that I need you

Back in my life
