

The Carpenters, Where Do I Go From Here?

(Parker McGee)

Autumn days lying on a bed of leaves
Watching clouds drift through the trees
Said my love was more than time
It's gold enough, the trees are bare, nights are long
I can't get warm since you've been gone
Can't stop singing sad songs

Where do I go from here?
Tell me where do I go from here?
You said you'd take me through the years
So where do I go from here?

Love is blind--like falling leaves on windy days
Flutter past and they fly away
I thought I knew you oh so well,
And I need you now
I need to feel you in the night
I need to your smile so warm and bright
I wish my mind could let you go
