

The Carpenters, Without A Song

Paul Williams/ Roger Nichols

We've only just begun

To live

White lace and promises

A kiss for luck and we're on our way

Before the rising sun

We fly

So many roads to choose

We start out walking and learn to run

And yes we've only just begun

Sharing horizons that are new to us

Watching the signs along the way

Talking it over just the two of us

Working together day to day

Together

And when the evening comes

We smile

So much of life ahead

We'll find a place where there's room to grow

And yes we just begun

To live

We only just begun

To live
