The Carpenters, Without A Song

Paul Williams/ Roger Nichols We've only just begun To live White lace and promises A kiss for luck and we're on our way Before the rising sun We fly So many roads to choose We start out walking and learn to run And yes we've only just begun Sharing horizons that are new to us Watching the signs along the way Talking it over just the two of us Working together day to day Together And when the evening comes We smile So much of life ahead We'll find a place where there's room to grow And yes we just begun To live We only just begun To live
