

The Chainsmokers, Beach House

Woke up on the west side
Listening to beach house taking my time
She's just my type
Dark hair waving out the passenger side

then I start to think
as she pulls me on the bathroom floor
thi is myt type of thing

darling of mine
where have you been
I feel so alive
with you in my bed

oh, darling of mine
please don't let go
just tell me you feel this
tell me you know

oh, darling of mine
oh, darling of mine

on a train through Japan
I keep her real close
cause she knows who I am
red pill in my hand
paranoid cutie with a dark past
andit's that type of thing
when she feels like the girl next door
this is my type of thing

darling of mine
where have you been
I feel so alive
with you in my bed

oh, darling of mine
please don't let go
just tell me you feel this
tell me you know

oh, darling of mine
oh, darling of mine

where have you been
where have you been
where have you been
where have you been

then I start to think
as I lift her on the sink
that I;ve seen here before

it's a certain type of fling
she gets bored of everything
not the type close the door

she's taing what she wants
baby you can have it all

darling of mine
where have you been
I feel so alive
with you in my bed

oh, darling of mine
please don't let go
just tell me you feel this
tell me you know

oh, darling of mine

where have you been
where have you been
where have you been
where have you been
