

The Chainsmokers, Do You Mean (ft. Ty Dolla \$ig)

do you mean do you mean what you say
what you said now you can't take away
you're my gospel but I'm losing faith
losing faith

do you mean do you mean what you say
take a minute do you need to spot and think
what we have now we can throw away
throw away

show me that you mean it
show me that you mean it
do you really mean it
everything happens for a reason
show me that you mean it
do you, do you?
show me that you mean it
do you, do you?

I hope you mean what you say, girl
have you been laying to my face, girl
said you needed some space, girl
I tried to stay out your way, girl
you heard some stories about my past
so we can leave them in the past
you said it's hard for you to trust again
I'm wondering if you're really over it

bounce back like a rebound
are you saying you mean now?

do you mean do you mean what you say
what you said now you can't take away
you're my gospel but I'm losing faith
losing faith

do you mean do you mean what you say
take a minute do you need to spot and think
what we have now we can throw away
throw away

show me that you mean it
show me that you mean it
do you really mean it
everything happens for a reason
show me that you mean it
do you, do you?
show me that you mean it
do you, do you?

times up but you're gonna say next?
can't hide what you did to me
pull you out like a cigarettes
put me out of my mystery
it's not you it's me
came on seriously
heard that once or twice before
you got that straight from a movie

do you mean do you mean what you say
what you said now you can't take away
you're my gospel but I'm losing faith
losing faith

do you mean do you mean what you say
take a minute do you need to spot and think
what we have now we can throw away
throw away

show me that you mean it
show me that you mean it
do you really mean it
everything happens for a reason
show me that you mean it
do you, do you?
show me that you mean it
do you, do you?
