

The Chainsmokers, Everybody hates me

I just wanna to drink tequila with my friends
she said she cheating cause she's trying get ahead
the more I read it
the more I take offence
so defeated, I can't get outside my head
I post a picture of myself because I;m lonely everyone knows what I look like
not even one of them knows me
no, I just want to drink tequila with my friends
so defeated I just want this shit to end

so I walk into the club like
everybody hates me
walk into the club like
everybody hates me
taking to myself shit
now they think I'm crazy
walk into the club like
everybody hates me
everybody hates e
like everybody hates me

like everybody hates me
everybody hates me

I just logged off the internet
now I'm face to face with all the voices in my head
I can't even check the time without facing regret
why do I still have to mean everything I ever said
and now I'm trying to be like coordinated
I;m just trying to stay normal
now that they know what me name is
and I just want to drink tequila with me friends
they're the reason that I stared at who I am

so I walk into the club like
everybody hates me
walk into the club like
everybody hates me
taking to myself shit
now they think I'm crazy
walk into the club like
everybody hates me
everybody hates e
like everybody hates me

like everybody hates me
everybody hates me

walk into the club like
everybody hates me
walk into the club like
everybody hates me
walk into the club like
everybody hates me
