

# The Chainsmokers, Paris

We were staying in Paris  
To get away from your parents  
And I thought "Wow"  
If I could take this in a shot right now  
I don't think that we could work this out

Out on the terrace  
I don't know if it's fair  
But  
I thought "How could I let you fall by yourself  
While I'm wasted for someone else"

If we go down then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down then we go down together  
We'll get away with everything  
Let's show them we are better  
Let's show them we are better  
Let's show them we are better

We were staying in Paris  
To get away from your parents  
You look so proud standing there with the flower and the cigarette  
Posting pictures of yourself on the internet

Out on the terrace  
We breathe in the air of this small town  
On our own  
Cut in class for the thrill of it  
Getting drunk on the past we were living in

If we go down then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down then we go down together  
We'll get away with everything  
Let's show them we are better

Show them we are  
Let's show them we are  
Let's show them we are  
Let's show them we are  
Let's show them we are better  
We were staying in Paris

Let's show them we are better  
Show them we are  
Show them we are  
Show them we are  
Show them we are  
Let's show them we are better

If we go down then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down then we go down together  
We'll get away with everything  
Let's show them we are better
