

# The Chainsmokers, Sick Boy

I'm from the East side of America  
Where we choose pride over character  
And we can pick sides  
but this is us, this is us, this is  
I live in the West side of America  
Where they spin lies into fairy dust  
And we can pick sides  
but this is us, this is us, this is

And don't believe the narcissism  
when everyone projects  
and expects you to listen to them  
make no mistake, I live in a prison  
That I build myself, it's my religion  
And they say that I'm the sick boy  
Easy to say  
when you don't take risk, boy  
Welcome to the narcissism  
we're until under indifference

And I'm the East side of America  
Where we desensitize by hysteria  
and we can pick sides  
but this is us, this is us, this is  
I live in the West side of America  
Where they spin lies into fairy dust  
And we can pick sides  
but this is us, this is us, this is

I'm /3x

They say that I'm the sick boy /2x  
and they call me the sick boy

And they say that I'm the sick boy  
Easy to say

Welcome to the narcissism
