

The Chainsmokers, This Feeling (ft. Kelsea Ballerini)

I'll tell you a story
Before it tells itself
I'll lay out all my reasons
You'll say that I need help

we all have expectations
and sometimes they go wrong
no one listens to me
so I put in this song

they tell me think with my head
not that thing in my chest
got their hands at my neck this time

but you're the one that u want
if that's really so wrong
then they don't know what this feeling is like

I'll tell them a story
they'll sit and nod their heads
if tell you my secrets
well you go tell your friends

hold on to your opinions
stand by what you said
in the end it's my decision
so it's my fault when it ends

they tell me think with my head
not that thing in my chest
got their hands at my neck this time

but you're the one that u want
if that's really so wrong
then they don't know what this feeling is like
