

The Chameleons UK, Anyone Alive?

Bush is back
It's a matter of fact
Bush is back
It's a matter of fact
Spark up a light
Angel it's all right
Spark up a light, yeah
Angel it's all right

Oh and you're the light on me
Oh and you're the light on me
Yeah

And anyone with eyes can see
I am not afraid with you
Anyone with ears to hear
I am not afraid with you
Anyone alive
Can feel the storm clouds gathering

What have you got?
Does it seem like a lot?
What have you got, yeah?
Well to some it's a lot
Where do you go?
Well I think I know
Above and beyond the energy flow
Mouth to mouth with the feminine glow

Oh you're the light on me
Yeah pour your light on me
Oh

Anyone with eyes can see
I am not afraid with you
Anyone with ears to hear
I am not afraid with you
Anyone alive
Can feel the storm clouds gathering in

'Cause anyone with eyes can see
I am not afraid with you
Anyone with ears to hear
I am not afraid with you
Anyone alive can see
I am not afraid of the storm clouds gathering in

Sing it to the children
Sing it to the children

I have you
I have you
I have you
