

# The Cheetah Girls, One World

hey  
yay  
love always finds a way  
every single time  
once we learn to trust our heart  
and look inside, it feels like  
now, we see who we are  
in a different light  
we're not so far apart and anything is possible

with all the differences, we're stronger here  
now the truth has been discovered, oh yeah  
after all we've been through, now it's clear  
that all of us, we share

one world, one love, one and all  
we're a circle together  
one world, one heart, one song  
now and forever

everybody celebrate  
bring on the party, bring on the dance  
time to let the music play  
the party never ends  
every guy and every girl  
stand up and shout, say it loud  
everyone around the world, come on and join in

we're gathered here today  
everything is right  
cause when you give from the heart  
the things you do come back to you

there to be strong and brave  
not afraid to try  
that's when we see who we are  
the best of friends and that's when

with all the differences, we're stronger here  
now the truth has been discovered, oh yeah  
after all we've been through, now it's clear  
we're all, right here, to share

one world, one love, one and all  
we're a circle together  
one world, one heart, one song  
now and forever

ooohhhh i never knew that love  
would find a way to bring together both of us  
now inside, i know it's true  
cause what we have is meant to be  
you let me be the real me  
together here is where we belong

one world, one love, one and all  
we're a circle together  
one world, one heart, one song  
now and forever  
one world, one love, one and all  
we're a circle together  
one world, one heart, one song  
now and forever  
we're a circle together

now and forever  
one world
