

The Chemical Brothers, Life Is Sweet

Days like this are sweet
I'm talking in my sleep
I think you're goin soft
I know its stiff for me
And Saturdays are short
I'm walkin with my dog
A (lie's a canyon size)?
Break up home there's nothing (bound and left)?

Longer that I love
Break up home there's nothing wrong with me

I'm driving in the sun
It's a hell of a way down south
Bring me back my love
And (?) in your home

And Saturdays are short
I'm walking with my dog
A (lie's a canyon size)?
Break up home there's nothing on the knife

And days like this are sweet
I'm walking in my sleep
It's a place where I belong
I banged a million drums
Someday I'll go back home
You'll pick it up and go

I like it in my head
And caught up in your love
