

# The Chemical Brothers, Skipping Like A Stone (fe

(I'm dancing, I'm dancing  
In the shadows of love)

When you feel like nothing really matters  
When you feel alone  
When you feel like all your life is shattered  
And you can't go home

I'll come skipping like a stone  
I'll come skipping like a stone  
I'll come skipping like a stone  
I'll come skipping like a stone

I wanna go  
Where no one goes  
I wanna go  
Where no one goes

I don't want to let you go  
I don't want to lose your love  
I don't want to let you go  
I don't want to lose your love

When you feel like nothing really matters  
When you feel alone  
When you feel like all your life is shattered  
And you can't go home

I'll come skipping like a stone  
I'll come skipping like a stone  
I'll come skipping like a stone  
I'll come skipping like a stone

Ooh, she changes people now  
She changes people now  
Ooh, she changes people now  
She changes people now

I-I'm dancing in the shadow of love  
I-I'm dancing in the shadow of love  
I-I'm dancing in the shadow of love  
I-I'm dancing in the shadow of love

Na-na, na-na, na-na, na  
Na-na, na-na, na-na, na  
Na-na, na-na, na-na, na  
Na-na, na-na, na-na, na

Ooh, she changes people now  
She changes people now  
Ooh, she changes people now  
She changes people now

I-I-I see the sun now  
I-I-I see the sun now  
I-I-I see the sun now  
I-I-I see the sun now
