

The Chipmunks, Getting Lucky

Honey you're a sweet thing,
and you look so fine
All I ever wanted
is to make you mine

Chorus:

Give me a clue
Tell me what I need to do
to get lucky with you

Boy I really love you
with my heart and soul
Honey won't you take me
Where I want to go

(Chorus)

Getting lucky
who, getting lucky
It's really what it's all about
Getting lucky, mmm getting lucky
It's something I can't do without

Honey I've been waiting,
waiting patiently
Let me unlock your heart boy
I think I got the key

(Chorus x4)

Oh honey, honey
Give me a clue
wontcha Tell me what I need to do
To get lucky with you
