

# The Church, Cut In Two

Cut in two, that's the kind of ship I'm running  
Cut in two, that's the kind of spell I'm casting  
Cut in two, that's the type of time I'm killing  
Cut in two, that's the kind of song I'm singing

Falling in  
Falling in  
Falling in love again (my face in your bedroom window)  
Falling in  
Falling in  
Falling in love again

Separation (no one looking in through my intrigue)  
Separation (yeah I've been another me)  
I will run for you, I think

Champagne drink, it's a lie

Cut in two, that's the kind of axe I'm grinding  
(he was not perfect, nor had he ever claimed to be)  
Cut in two, that's the kind of sleep I'm getting  
(enraptured, drifting) (toothpullers)  
Cut in two, that's the kind of love I'm making  
(reckon myself) (schoolmaster)  
Cut in two, that's the kind of life I'm having  
(smoke from the distant chimneys)

Falling in (eggshell polonaise, polonaise) (ghosts)  
Falling in  
Falling in love again  
Falling in (it's a contest of stone hearts) (caress)  
Falling in  
Falling in love again

Separation (there's someone in here sharing it with me)  
Separation (someone I no longer trust I can't see)  
Separation (he's circling, waiting to make his move) (dead face)  
Separation (it's just a memory I can't prove) (French fishwife)

Incidentally, I like the word trespass, serendipity

Falling in (protected)  
Falling in (I feign unconsciousness)  
Falling in love again (oh Goodbye)  
Falling in  
Falling in (I feign unconsciousness to see if god is there)  
Falling in love again

Separation (I hate you) (he was only doing it for me)  
Separation (I'm just gonna have to hate you)  
(and I, I was only doing it for the children)  
Separation (and the children are sleeping and frightened)  
Separation  
Separation
