

The Church, It's All Too Much

It's all too much

When I look into your eyes
Your love is there for me
The deeper that I go inside
The more there is to see

It's all too much for me to take
The love that's shining all around you
And everywhere, it's what you make
For me to take, it's all too much

Floating down the sea of time
From life to life with me
Makes no difference where you are
Or where you'd like to be

It's all too much for me to take
The love that's shining all around you
And all the world is birthday cake
So take a piece but not too much

Set me on a silver sun
Where I know that I'm free
Show me that I'm everywhere
And get me home for tea

It's all too much for me to see
A love that's shining all around here
The more I learn, the less I know
And what I do is all too much

It's all too much for me to take
The love that's shining all around here
And everything is what you make
For me to take, it's all too much

(It's all too much)

We're gonna rock down to Electric Avenue
Then we'll take you higher
Good God!

With your long blond hair and your eyes of brown
With your long blond hair and your eyes of brown

Too much
Too much
