## The Church, Nothing Seeker

I'm sorry if I come across as thoughtless I'm happy if I come across at all It's useless when the ending becomes endless I'm early 'cause there's nowhere else to go

I hope you don't think that I'm angry I hope you don't think that I'm wrong I hope you don't think that I'm frightened I hope you think that I belong

It's funny that I seem to be so careless I'm certain that it's easy to be sure It's always when the night has become outrageous It's not as though we ever lived before

I hope you don't think that I'm brutal I hope you don't think that I'm dumb I hope you don't think that I'm different I hope you think that I'm welcome

(I'm sorry if I come across as thoughtless I'm happy if I come across at all It's useless when the ending becomes endless I love you 'cause there's nowhere else to go)
