

The Clash, Every Little Bit Hurts

Every little bit hurts
Every little bit hurts
Every night I cry
Every night I sigh
Every night I wonder why
You treat me cold
But I can't let you go

Every little hurt time
Every little hurt time
Say you're coming home
But you never phone
Leave me all alone
My love is strong for you
I do long for you

I can't take this loneliness
You're giving me
Can't go on
Giving my life away

Come back to me
Darling you'll see
I can give all the things
That you wanted before
If you'll stay

Every little bit hurts
Every little bit hurts
Every night I cry
Every night I sigh
Every night I wonder why
You hurt me
Desert me

I can't take this loneliness
You're giving me
I can't go on
Giving my life away

Come back to me
Darling you'll see
I can give all the things
That you wanted before
If you'll stay

Every little bit hurts
Every little bit hurts
Every night I cry
Every night I sigh
Every night I wonder why
You treat me cold
But I can't let you go

Every little bit hurts
Every little bit
