

# The Connells, Just Like Us

The Young ones will step away.  
How long will it take them?  
How long 'til it breaks them?  
Just walking into a new day.  
How long will it take them?  
How long 'til it breaks them?

They fight and they seem  
Just like us.  
Unaware that they'll be  
Just like us.  
Yet you want them to see  
Just like us.  
And I hope to decide on my own.

It's just too late to discuss.
