

# The Cooper Temple Clause, Amber

remember the time i couldn't speak  
everybody heard  
the pin didn't drop it came and crashed down  
then there was the time i couldn't walk  
everybody laughed  
so entertaining was this breakdown

turn and face the walls  
i'm only drinking  
eyes to the floor  
i'm merely sinking

then there was the time i couldn't see  
blind as a bat for drink and easy laughs  
a terrible time  
but keep it in mind  
you can't tell your friends man cos this shit is mine

turn and face the wall  
i'm only drinking  
eyes to the floor  
i'm merely sinking  
so leave me alone  
and why does it have to get like this?  
it always seems to get like this  
well i never meant to get like this  
every night
