

The Coronas, Addicted To Progres

I'm all over the place you say I'm headstrong
The look on my face is just a little off
And obviously I know I've had it easy
I've dreamed I've seen things but now I'm greedy
You know I know you so don't say that
If you were me you'd want to embrace that
The only thing embedded in my mindset
Is how I am addicted to progress

And if I had a rainbow
I'd put the end of it at our toes
So nobody could find us
Let the colours always bind us

And just like before I'm growing content
With mediocrity and all this nonsense
Don't get me wrong I know it's in our mindsets
We have to be addicted to progress

If I had a rainbow
I'd put the end of it at our toes
So nobody could find us
Let the colours always bind us

And if I had a rainbow
I'd put the end of it at our toes
So nobody could find us
Let the colours always bind us

And if I had a rainbow
I'd put the end of it at our toes
So nobody could find us
Let the colours always bind us

And if I had a rainbow woahh
And if I had a rainbow woahh
