

# The Corrs, Closer

I see you  
Walking everyday  
with a smile beneath a frown  
But I will not look away  
Yeah hey  
What does it mean?  
What's there to see?

If I look closer, closer  
Closer, closer  
Closer, closer  
Closer, closer...

Where you going?  
And what you thinking at all?  
Your eyes show nothing more  
Than a dazed oblivion  
What does it mean?  
What will I see?

When I look closer, closer  
Closer, closer  
Closer, closer  
Closer, closer  
Ah, yeah

You don't see me  
Watching everyday  
My smile could warm your frown  
And I'd never look away  
(Never look away)  
There's more to me  
Than what you see

When you look closer, closer  
Closer, closer  
Closer, closer  
Closer, closer

Closer, closer  
Closer, closer  
Ah, yeah  
Yeah, yeah, yeah

Closer  
Closer  
Closer  
No, no

(Ah, ah)  
(Ah, ah)  
(Ah, ah)

Oh, no no  
Oh yes

Closer...

Oh, no no  
Oh yes...
