

# The Corrs, Forever May Not Be Long Enough

forever may not be long enough for my love  
i have a will but i'm lost inside your time  
if you could, would you come with me to the other side?  
forever may not be long enough  
forever may not be long enough  
forever may not be long enough for this love  
forever  
forever  
forever

this world is never enough, and I'm not givin up  
my faith in love is like blood, i'd spill it freely for some  
my faith in love is like blood, it flows in everyone  
don't stop to look at the clock, forever won't be long enough

forever may not be long enough for you to know  
just how far i'd travel, just how far i would go  
open your heart and everything will be alright  
open your heart, baby leave with me, don't be afraid  
forever!

forever may not be long enough  
forever may not be long enough  
forever may not be long enough  
forever may not be long enough
